

Mugavari Team Leaders 2019-20

Teamwork, the way forward

*"Coming together is a Beginning; Keeping together is Progress;
Working together is Success." - Henry Ford*

Since 2002, exactly 421 students have benefitted from Mugavari in the past 17 years. The Objective of Mugavari Foundation is to motivate students' humaneness through education. To add strength to this objective, and also to develop collective responsibility and leadership skills of our students, the following teams and schemes were formed.

Admin Team:

The administrative works of Mugavari will be carried out by this team. It gives opportunity to students to enhance their leadership qualities, while they are still studying.

Medical Team:

Mugavari's medical students are the target group of this team. Their responsibility is to sensitize students towards humanity and develop their team spirit through several related activities.

Vidhai Team:

Here, we implant a feeling that Mugavari students are part of single large family. In order to strengthen this family bond, we encourage students to socialize with each other and stand for each other at all times.
